

## Multilingual Add On For both Short Cart and Power Cart

German Chancellor Willy Brandt once said, *"If I am selling to you, I speak your language. If I am buying from you, dann müssen Sie in meiner Sprache sprechen."* (Translation: *then you must speak my language.*)

### **Benefits**

Multilingual websites can aim of the following returns:

1. Multilingual websites are nowadays a cost effective and efficient tool for promotion and marketing of once store as it can be easily reached out to non- English speaking people in their resident language.
2. Multilingual websites are well manifested and recaptured, in local search engine, more enhanced in so doing to higher the site traffic.
3. Those companies having multilingual site for promoting their product can automatically cover larger population and thus can earn better revenue and viable benefit.

Both Short Cart and Power Cart has these Add-On attached to it, once can view the site in three different languages and those are;

1. English
2. Spanish
3. Arabic

To view the site in your own language is just a click away; steps for converting site in your language are explained below.

1. By default site is in English now if you want to view it in Spanish/Arabic you just need to click on the respective countries flag, displayed at right upper most corner and you site will be converted into that language.
2. To convert it into Spanish
3. To convert it into Arabic

eBaniya is now available in your own language. Currently we have launched it in three different languages, English, Spanish and Arabian. If you want it in your own language, please send a request to us. We will provide you the add-ons on that.
